

Under the sun's warm embrace, let's dance to the rhythm of endless possibilities.

The summer break unfurls a bouquet of pleasures, inviting relaxation, exploration, and intellectual enrichment through travel, literary indulgence, and skill development. To ensure continuity with the academic syllabus and foster creativity, holiday homework has been meticulously crafted. Here are the guidelines:

- While parents may guide, the onus lies on the child to independently complete the tasks.
- All subject assignments must be neatly compiled in a designated folder with clear labeling.
- Submission deadline: 8th July 2023. Let this vacation be a blend of leisure and learning, igniting young minds for a brighter tomorrow.

Theme: Sustainable goals and development

Goal no. 6 Clean water and Sanitation

Access to clean water and sanitation is a basic human right essential for health and dignity. Shockingly, one in three people worldwide lack access to proper sanitation, leading to preventable diseases and fatalities. Despite significant progress in providing clean drinking water, the absence of sanitation facilities threatens these gains. Sustainable management of water and sanitation resources is imperative to address this crisis effectively. By prioritizing universal access to sanitation alongside clean water initiatives, we can mitigate health risks, enhance quality of life, and build resilient communities. It's time to unite efforts and ensure that everyone has access to safe water and sanitation services.

Sustainable Goals and Development

PROJECT WORK

MATHS

Let's track our water consumption for a week! Take note of how much water we use each day and what activities it's used for in our home. For example:

Drinking: 5 glasses

Cooking: 2 containers

Bathing: 4 buckets

Feel free to draw glasses, buckets, or bottles to represent the amount of water used for each activity. Let's work together to understand our water usage and find ways to conserve it!

EVS

Make the students understand the importance of water and make them paste pictures and write the uses of water in their EVS notebooks.

HINDI

“जल ही जीवन है” पर पोस्टर बनाएं और स्लोगन लिखें।

ENGLISH

Learn and write poem about water and write on A4 size sheet and decorate it also.

"EK BHAARAT SHRESHTHA BHARAT"

Parents are requested to make the students practice the dance of "Andaman and Nicobar Islands. Shared below is the link of the reference video:

<https://www.youtube.com/watch?v=M9whLct0Oag>

ENGLISH

- Make these according to your roll numbers:

*R.NO - (1-11)

Make a beautiful A3 size noun tree with the help of cardboard, colorful sheets etc.

*R.NO- (12-22)

Make a handmade flower bouquet based on the topic rhyming words

*R.NO-(23-30)

Ques 4. Write the names of the following body parts.

- 1. **FNGREIS** -
- 2. DANHS -
- 3. GLES -
- 4. SOEN -
- 5. SNIK -

Father's Day

Plant a Seed

Dear mothers,

Let us make this father's day special for the dads by gifting them something that will be cherished forever. Let us make the kids plant a seed with their darling daddies on this father's day.

Mothers are requested to provide small pots, soil, and seeds for the children to plant together with their dads.

This activity symbolizes growth and nurturing, much like the relationship between a father and child.

International Yoga Day

Hello, class 1! Do you know that there's a special day just for yoga? It's called International Yoga Day! Yoga is like magic for our bodies and minds. It helps us stay healthy, strong, and happy. When we do yoga, we stretch our bodies like playful animals and learn to breathe calmly like blowing bubbles. It's super fun! Let's all celebrate Yoga Day together by trying some simple yoga poses. Are you ready to stretch, bend, and feel fantastic?

Let's roll out our yoga mats and explore the wonderful world of yoga together!"
