

SCHOOL ANNUAL REPORT

There is always a podium laid for every individual to Dream! To Desire! To Determine! To Decide their Destiny! Vivekanand Public School is one of the best in discovering every approach as flair to bloom into vibrant colour.

VPS recognises and nurtures the uniqueness of each child and is determined to provide positive catalytic impulses to every child to stretch his inherent potential through a self-discovery process. We are one among the top most schools of East Delhi. Time to time our children bring laurels to school in all spheres be it scholastic, co scholastic or co-curricular.

Our students always bring excellent CBSE result, I feel honoured to mention here that in academic session 2021-22 we had 100% result in both X & XII classes with the highest percentage of 97.5 in class XII and 96.8 in class X.

We at VPS has a wonderful infrastructure like air conditioned, air purified Pre-Primary wing, digital classrooms, play area, aesthetically designed classrooms, well equipped science and computer labs, well stocked library and many more which make us stand apart from others.

Innovation is the change that unlocks new value that leads to betterment and success.

The School continues to strive towards Innovation and the latest practices in the field of Pedagogy are being continuously incorporated. Time to time in house trainings and out of the school

trainings are arranged for the Continuous Professional Development of the teachers.

The School has a tie up with the Lead Curriculum which promises the holistic development of the students. Apart from the academics the lead curriculum provides ample opportunities to the students to enhance their confidence level, Public Speaking skills and of course helps in shedding stage fear as it is laced with a provision of conducting SLC which means Student Led Conference on quarterly basis.

Competitions and academic activities that go beyond the text books and the classrooms encourage and foster a healthy and competitive spirit and effective communication skills in the students. Here in VPS, the various activities are conducted at classroom level, school level, inter-house level and inter- school level too. To foster national integration, international understanding, religious and cultural awareness and tolerance, various national, religious and cultural festivals and occasions were celebrated with due pomp and grandeur. A fiesta of two days of Inter school Competitions RENAISSANCE... is being conducted successfully since 2015. Our students also participate in CBSE competitions, Zonal Competitions, Olympiads and many more.

Vision can never be termed into reality without tireless efforts, cooperation and support. I feel really blessed that we are team of supportive Management, dedicated teaching faculty, innovative students and cooperative parents' fraternity. To conclude, I would like to emphasize that we will continue our challenging journey towards excellence in education and service to the society.
